Subject: IFATSEA European Regional Meeting 2014

Ladies and Gentlemen,

IFATSEA will hold a Meeting of Region Europe from 12th to 14th of June 2014 in Langen, Germany.

The objective of this meeting is to discuss and propose ways of enhancing safety and efficiency of Air Navigation Services through technology and Technologists/Engineers. The meeting will address key issues such as: European ATM framework, ATM efficiency, ATSEP training, ATSEP competency, ATSEP license, ATM/CNS standards, ICAO Standards, new technologies, interoperability, accidents investigation, human factors, SMS, SESAR, NextGen, SES, FAB, Safety regulations, etc...

IFATSEA and GdF, the German Affiliate, have assemble an excellent program for this meeting and we look forward for your participation. Please find attached the draft program, registration form and draft agenda.

I thank you and trust that you will be able to join us at the European Regional Meeting 2014 in Langen. We are looking forward to continue our excellent relationship.

Together, we can make the difference for improving aviation safety, security and efficiency.

Yours sincerely,

Thorsten Wehe
