

## President's Message

**IFATSEA 53rd General Assembly – Cape Town, South Africa**

Dear IFATSEA Members and Delegates,

It is with great excitement and enthusiasm that I warmly welcome you to the IFATSEA 53rd General Assembly, hosted by ATNS and South African Air Traffic Safety Electronics Personnel Association in one of the most beautiful cities in Africa, the "Tavern of the Seas" city of Cape Town. This year's gathering is unique in many ways. We will celebrate our shared commitment to aviation safety, technical excellence, and international collaboration.

The event city, Cape Town, along with its rich cultural heritage and dynamic aviation sector, provides the perfect tantalizing reflection and forward-thinking for the event. As we encounter new challenges in the rapidly evolving world of air traffic safety electronics, our strength lies in our collective unity, innovation, and the unwavering professionalism of our global community.

In this Assembly, we will engage in critical dialogue, exchange expertise, and reaffirm our dedication to the highest standards of safety, cyber resilience and service. In humility and reverence to our ATSEP community and delegates, I encourage each of you to register and participate actively, share your insights, and build lasting connections that will keep the flame of our mission burning and shining.

On behalf of the Executive Board, kindly allow me to thank you for your continued dedication to IFATSEA and to the safety of global aviation.

Together, we are shaping the future until we achieve one system, one solution, one conversation at a time. Please, come, let's enter the gateway to Africa and meet at "Where Oceans Meet"

Kom ons ontmoet in Kaapstad!
