Subject: IFATSEA Expresses Deep Condolences to the Government and People of Ghana

The International Federation of Air Traffic Safety Electronics Associations (IFATSEA) expresses its profound sorrow and heartfelt condolences to the Government and people of Ghana following the tragic helicopter crash that claimed the lives of two high-ranking ministers and six others.

This devastating incident has sent shockwaves through the aviation community and beyond. We mourn the loss of these distinguished public and civil servants whose lives were cut short in service to their nation. Their dedication, leadership, and commitment to Ghana's progress will be remembered with deep respect.

IFATSEA stands in solidarity with the Ghanaian government, the families of the victims, and all those affected by this tragedy. We extend our support to the aviation authorities and emergency responders who are working tirelessly in the aftermath of this incident.

As an organization committed to aviation safety, IFATSEA reaffirms its dedication to supporting efforts that enhance the resilience and safety of air operations worldwide.

In times like these, we are reminded of the critical importance of collaboration, vigilance, and continuous improvement in aviation systems.

Seamless collaboration between civilian and military aviation stakeholders is essential to ensuring safe, efficient, and responsive airspace management as well as play a vital role in preventing future incidents and enhancing national resilience.

May the souls of the departed rest in peace, and may their families find strength and comfort in God Almighty.

In Solidarity,

Ing Frank Kofi Apeagyei
President
