

ABOUT US

Since 1972, IFATSEA has served as the authoritative voice on the competence of air traffic safety electronics personnel (ATSEP). Using our strong global network, we actively contribute to the improvement of air traffic safety performance around the world.

IFATSEA has been a key contributor in working with the International Civil Aviation Organization developing materials on the basic training and competency of ATSEP.

IFATSEA also is engaged in the development of the Single European Sky through its participation in the activity of the SESAR Joint Undertaking.
